

Community Involvement

Cohen & Company
Certified Public Accountants

Cohen & Company believes that our success is greatly tied to the success of the communities in which we live and work, and that it is important for us to give back of our time and money. This belief is part of our culture. We encourage and support the efforts of individuals in pursuing their civic and professional interests. As a firm we offer financial support and professional expertise in helping organizations operate and grow. The following represents many of the organizations that we proudly support.
